## Metropolitan Maintenance

Customer satisfaction is the ultimate goal for the crew at Metropolitan Maintenance.

Committed to providing high quality cleaning services to commercial businesses, Metropolitan Maintenance prides itself on being the janitorial experts of choice.

Whether its porter services, window and carpet cleaning, or tile restoration, the crew at Metropolitan Maintenance will do whatever it takes to get your office in ship shape.

In addition to being named London's Best Cleaning Service, the company was also named the CAFE Southwestern Ontario Family Enterprise of the Year, and the recipient of both the London Quality Award and the Better Business Integrity Award.

A locally owned family business, the company has been serving

the London area for 32 years. And in an industry dominated by an extremely high turnover rate, employee turnover at Metropolitan Maintenance is only 8%, with some employees going on their twenty-fifth year of service.

In fact, Metropolitan Maintenance's low turnover rate and excellent employee relations were recently recognized in the worldwide cleaning industry publication, Services Magazine.

The company has supported various organizations and charities throughout London for more than 30 years, sponsoring several sports teams and donating both their time money to several local organizations.
