

**WINNER – BEST CLEANING SERVICE
(HOME OR OFFICE)**

Metropolitan Maintenance

For 33 years, the crew at Metropolitan Maintenance have strived to become the janitorial experts of choice for Londoners across the Forest City.

Locally owned by the Malerba family, Metropolitan Maintenance places customer satisfaction at the top of its priority list. That's because the Malerbas believe that quality service comes from building partnerships with clients – something they've done since opening its doors in 1980.

Winner of the 2013 Consumer Choice Award, 2012 Best Cleaning Service Award, the 2008 Family Enterprise Award, the 2007 London Quality Award and the 2005 Better Business Bureau Integrity Award, Metropolitan Maintenance's cleaning services are top notch. From marble restoration, to day porter services, to office electronic equipment cleaning and construction clean ups, its staff of janitorial experts have the skills to make your space shine like new.

But, it's the personal touch that keeps clients coming back.

A pillar in the London community for more than three decades, Metropolitan Maintenance has supported countless

local organizations and charities through volunteer work and financial donations. They've also sponsored a variety of competitive and house league level sports teams, giving kids in the community an opportunity to reach their athletic potential.

Metropolitan Maintenance also works hard to ensure the wellbeing of its employees. ContractorCheck, one of Canada's leading Environmental Health and Safety risk management companies, recently accredited the company ensuring it meets the industry's best practices.

Deeply honoured to be named London's Best Cleaning Service for a second year in a row, the Malerba family credits much of its success to its team of 140 stellar employees who consistently impress customers with friendly, high quality service.
