

Mark Malerba of Metropolitan Maintenance Honoured by Building Service Contractors Association International

Mark Malerba, HBA, CBSE

CHICAGO, IL - MAY 2009 - Mark Malerba of Metropolitan Maintenance in London, Ontario, Canada was awarded the designation of Certified Building Service Executive (CBSE) by the Building Service Contractors Association International (BSCAI).

The CBSE program aids the public by designating those in the building service contracting industry who have applied for and met BSCAI's high standards of competence and qualifications.

The CBSE is an expert in the management of contracting cleaning. He or she is a professional executive with demonstrated knowledge and skill widely recognized in the building service industry — the same knowledge and skill that can assure you a properly maintained building. The CBSE is an executive with broad business and management expertise — an executive who ensures that your building's maintenance needs are met smoothly and cost-effectively. In short, placing your building in the hands of a CBSE means having the technical cleaning knowledge and executive experience you expect.
