Mark Malerba (left) and Mike Malerba (right) of Metropolitan Maintenance at the National Family Business Day.

Thank you to the Canadian Association of Family Enterprise for such a prestigious honour.

Metropolitan Maintenance was built on values such as integrity, honesty, teamwork, hard-work, and passion. These values not only attribute to the success of a business but also to building a strong family. For the past 28 years, these values have been the foundation of Metropolitan Maintenance and will continue to be an integral part of how we do business for years to come.

Thank you to our clients for their continued trust and patronage.

Most of all, thank you to our fantastic staff. Any company is only as strong as its people and Metropolitan Maintenance is fortunate to have such a loyal, hard-working and dedicated team.
